## OBJECTIVE

I am a Digital Media, Arts, & Technologies student looking to further improve my software development skills within a professional environment.

---

## EDUCATION

The Pennsylvania State University, Erie, PA

Graduation: May 2025

- GPA: 3.6
  - Bachelor of Humanities, Major in Digital Media, Arts, & Technology
  - Game Development Minor
- 

## EXPERIENCE

### Pennsylvania State University, Erie, PA

Evolving Technologies Lab (February 2024 – Present)

- Works with technology ranging from virtual reality equipment to general game equipment.

Resident Assistant (August 2023 – Present)

- Fostered a supportive and inclusive residential community by providing guidance, resources, and conflict resolution assistance to residents.
- Organized and executed engaging programs and events to promote community building and personal development within my respective residence hall.

Humanities & Social Sciences Ambassador (January 2024 – Present)

- Represents the Humanities & Social Sciences department with professionalism and enthusiasm, assisting prospective students, parents, and visitors with inquiries and campus tours.

Convenience Store Sales Associate (January 2022 – May 2023)

- Managed sales transactions, provided customer service, maintained store cleanliness, and ensured inventory was well-stocked.

### Gabe's Distribution Center, Washington, PA

Distribution Associate (July 2021 – August 2022)

- Led various sections of warehouse organization, demonstrating reliability and effective management skills.
-
